DISPUTE RESOLUTION

Product liability, mass tort and class action: pharmaceuticals and medical devices – defense

Goldman Ismail Tomaselli Brennan & Baum LLP's 'superb' team is praised by clients as having 'notable expert discovery and trial skills'. Chicago-based Jennifer Greenblatt, who was promoted to partner in 2016, was lead trial counsel to Medtronic in *Snow et al v Thousand Oaks Surgical Hospital et al*. Greenblatt was also part of the team defending Merck & Co in litigation concerning its osteoporosis medication Fosamax; 'extraordinary' co-founders Andrew Goldman (Chicago) and Tarek Ismail (Chicago) were also on the team, which was led by Kenneth Baum (Santa Monica). In Dallas, the 'distinguished' Joe Tomaselli led the representation of Merck & Co in a number of lawsuits brought by the state attorney's general alleging violations of consumer protection statutes regarding its Vioxx medication. The 'laudable' Sean Brennan in Dallas is also recommended.
